### Action Taken Report on feedback 2018-2019

The Feedback Analysis Report of the Parents of our students provides a comprehensive evaluation of college infrastructure, Opportunities and scope of development based on the feedback given by them. This report aims to identify strengths, areas for improvement, and overall satisfaction. By systematically analyzing feedback collected through structured surveys, the report offers actionable insights to enhance quality and support of the authority. The findings contribute to informed decision-making, fostering a culture of continuous improvement and academic excellence. As an affiliating institution and governed by the State Government there are some limitations that the college has to depend on Government grant and other grants for enhancement of infrastructural facilities and others. So, within limitations the authority has taken steps to upgrade the facilities depending upon the financial position of the fund and procedure. Initiatives have been taken to decrease the price of foods in the college canteen, it is requested to the Librarian of the college to take initiative for increasing the number of books in the library, and for the beautification of the college campus NSS Units of our college have been giving continuous attention. Course fees have been reduced.

### Action Taken Report on feedback 2021-2022

The Feedback Analysis Report from our students' parents provides a thorough assessment of the college's infrastructure and development opportunities based on their input. The report aims to highlight strengths, identify areas for improvement and gauge overall satisfaction. By systematically analysing feedback collected through structured surveys, it offers actionable insights for enhancing quality and support from the administration. The findings support informed decision-making and promote a culture of continuous improvement and academic excellence.

As an institution affiliated with the State Government, the college faces certain limitations, relying on government and other grants for infrastructural enhancements. Despite these constraints, the administration is committed to upgrading facilities in accordance with available funding and procedures. Recent initiatives include reducing food prices in the college canteen and the NSS units are actively engaged in beautifying the campus. Course fees have also been lowered to support students. Additionally, suggestions from parents through their feedback are being addressed through the appropriate channels.

### Action Taken Report on feedback 2022-2023

The Feedback Analysis Report from our students' parents provides a detailed assessment of college infrastructure, development opportunities and overall satisfaction based on their responses. This report identifies strengths and areas for improvement by systematically analysing feedback from structured surveys, offering actionable insights to enhance quality and support from the administration. The findings aid informed decision-making, promoting a culture of continuous improvement and academic excellence. As an institution governed by the State Government, the college faces limitations, relying on government grants and other funding for infrastructure enhancements. Despite these constraints, the administration has taken steps to upgrade facilities based on available financial resources. Recently, a sanitary napkin vending machine and a disposal unit have been installed, and work is underway to level part of the college's playground.
